- 1 **Must be sourced from Halal slaughtered animals only.**
- 2 The trimmings are those portions of beef remaining after the preparation of primal cuts from a carcass or portion of a carcass. Operators are expected to carefully select trimming so that they meet the chemical lean criteria.
- 3 Ensure that the pack is free of all bones, bone fragments, blood clots, bruising and HYGIENE defects.
- 4 Ensure liner is pulled up after packing to minimize risk of polythene entrapment.
- 5 *Trim product shall be blended to give an average overall appearance relative to the stated CL, product shall be blended so that pack does not resemble layers of High or Low CL trim.*

- 1 Slaughter Date to appear on outer label
- 2 Refer: AUSMEAT Information Manual No. 2 (Customer Country Requirements) for additional label requirements..
